ABOUT THE DEVELOPER

Since 1954, Beedie has combined innovation and craftsmanship to bring new possibilities to life. Today, we are one of Western Canada's largest industrial and residential developers, having completed more than 35 million square feet of new development. Our integrated structure allows us to implement the highest construction and design standards, and our legacy of relationship building enables us to deliver projects that drive commercial value.

As Beedie grows our operations across North America, we have industrial building opportunities available in British Columbia, Alberta, Ontario, and Las Vegas.
