ABOUT THE DEVELOPER & PROPERTY MANAGER

Since 1954, Beedie has combined innovation and craftsmanship to bring new possibilities to life. Today, Beedie is one of Western Canada's largest industrial developers and property managers, having completed more than 35 million square feet of new development. With an ever-expanding industrial portfolio of over 16 million square feet of leasable space across British Columbia and Alberta, along with substantial involvement in the retail and residential market sectors, Beedie's philosophy of providing proactive asset management is based on providing each of their valued clients with optimal service and support.

With the integration of acquisition, development, design, construction, sales, asset management, and after-sales care under one roof, Beedie has built an all-encompassing approach to the way they are building for the future. As Beedie grows its operations across North America, they have industrial building opportunities available in British Columbia, Alberta, Ontario, and Las Vegas, Nevada.
